

## **Receiving Your Child's Report Card**

Students and parents will not be receiving a paper report card. **Report cards will be posted on MyEducation BC on June 28, 2018.**

Please go to this website to get a PDF copy: <https://myeducation.gov.bc.ca/aspn/logon.do>

Your user name and password should have already been emailed to you. If you did not receive an email with this information from the school, it means that we do not have a current email address.

You can notify the school of your current preferred email address by directly emailing [Cariboo.Info@sd41.bc.ca](mailto:Cariboo.Info@sd41.bc.ca) with the following:

- 1) Include "Family Portal" and your student's name in the subject line, eg. "Family Portal – Student Name"
- 2) Indicate in the body of the email "First Contact" or "Second Contact" relating to the email address
- 3) Be sure to email from the email address you wish to have on file

Your child should already have a user name and password. They can also access the same website and corresponding information.
