Dear École Cariboo Hill Secondary Parents and Students of AP Programs,

Beginning in the 2019-20 school year, the AP® Program is introducing new resources and processes designed to help students earn university/college credit and placement.

Here's what you and your student need to know:

1. Students will be asked to register for AP Exams in the fall (which is new this year). AP Exams will continue to be given in May.
2. The exam fee isn't changing, it is still \$135 CDN. However, there will be a \$60 CDN fee for late registration (after October 31, 2019) and only a partial refund of \$75 CDN, if your child does not write the exam in May.
3. École Cariboo Hill Secondary will collect fees starting on the first day of school and students have until October 15 to pay for all AP exam fees. Fees can be paid via the School Cash Online service on our school website or via check or cash to the office with Mrs. Farbridge.
4. Students will get personalized feedback through new digital tools that provide daily support for every AP classroom. Their teachers will be able to track their performance throughout the year using monthly personal progress checks. This will help guide your AP child to success in the course and on the final AP exam.

To get ready for the coming school year, please encourage your student to sign up for a College Board account. All College Board programs are connected through one account, so if your student created an account last year, they can use their previous user name and password.
