## Second Street Fence Project

We are looking to revitalize the art on the fence off 16th Avenue. To do so, we will be needing some material and thought we'd reach out the community - as warmer weather can trigger 'spring cleaning', we wanted to let you know that we are looking for:

- old tarps (all colours, especially blue and green)
- bicycle tires (~ 8 - 10)
- bicycles that are no longer in riding condition (~2 adult sized bikes, 1 youth bike)
- plywood scraps bigger than two-foot square
- hub caps
- un-used tremclad spray paint
- poly/nylon rope that is 3/4" or thicker
- bug and bird houses and bird house DIY kits

Put these items aside for us and we will coordinate pick up. If you have questions about the project or are interested in helping with it, contact Anne at [redhouse.a@outlook.com](mailto:redhouse.a@outlook.com)
